TRANSFORMING  
THIS GENERATION

CONNECT·GROW·SERVE·GO

Are you ready to experience Jesus in GROW Groups this semester? In your hand you hold more than 50 opportunities to engage in active discipleship. Each GROW Group represented in this listing is guaranteed to bring you into the presence of Jesus, because as Matthew 18:20 tells us, He is present anywhere 2 or 3 of us are gathered in His name.

So, how do you begin? First, read through this catalog and pray over the options that interest you. Decide on your top group or two (in case your first choice is full) and head to our website to sign up. Next--and this is important--invite a friend to join with you!

Once the session begins, head to your group's gatherings and participate. Meet people and listen to them. Share with others what you're learning and experiencing. And, when the session is over, make plans to continue meeting up, move on to another group, or sign up to lead a GROW Group yourself. Follow the Spirit's leading.

Please don't pass up this chance to be a part of God Reaching Out Widely in our community. We GROW better together, PMC!

## Sharing His “Life Together”

Dietrich Bonhoeffer, in his potent little book *Life Together*, observes: “The physical presence of other Christians is a source of incomparable joy and strength to the believer” (19). What you now hold in your hands is an opportunity for you to experience that “incomparable joy and strength,” even if you don’t consider yourself a “believer” quite yet. Truth is, we’re wired to need each other. And GROW Groups are a rewarding way to fill that need, no matter your age.

So thumb through this catalog. Connect with an interest, a theme, an activity that you’d enjoy. Sign up. And show up. It’s that simple.

And in the process you’ll discover why Jesus was so big on “life together”—He lived, ate, slept, conversed, and traveled with a band of men and a group of women. Because God loves community. So I hope you’ll join us in following Jesus and sharing His “life together” this new season.
